DIVING WELL RULES

The following rules are in effect to ensure your safety and enjoyment, and may be amended or supplemented by facility staff as situations warrant

- The Diving Well may be used only when there are enough EKAC Lifeguards on duty. EKAC Management has discretion on when to allow aqua-jogging or to open the diving board
- All children must pass our “Deep End Test” and be wearing the wristband issued by the EKAC Lifeguard prior to using the diving well
- Only one person at a time is allowed on the diving board
- The diving board fulcrum must be kept in the forward position
- Walk, don’t run, on the diving board
- The diver is allowed only one bounce off the diving board
- We do not allow flips, spins, backwards or inward dives
- We do not allow side jumps or dives; enter the pool straight forward from the diving board
- Once you have jumped off the board, swim directly to the nearest ladder and exit the diving well
- We do not allow patrons to wear goggles when entering the Diving Well from the diving board
